December 14, 2016

Dear Stakeholder:

The Ministry of Labour is extending an invitation to you to participate in our annual Safe At Work Ontario (SAWO) strategic consultations taking place in January 2016. The purpose of the sessions is to update stakeholders on current initiatives and obtain input on the Ministry's planned blitzes and initiatives for 2017-2018.

The Ministry of Labour is inviting employer and labour representatives to ensure that both perspectives are heard in developing the plans for the upcoming year. Participants will be provided with the opportunity to provide input on how Ontario's occupational health and safety enforcement strategy can work to optimize workplace health, safety and fairness. These discussions will give you the opportunity to help shape the future direction of the Ministry's compliance and education campaigns. There will also be a Q&A panel consisting of members from the Ministry of Labour and the Health and Safety Associations.

We hope you will accept this invitation to participate in the dialogue. Below is a list of sessions that will be taking place in Toronto, Ontario at the Centre of Health and Social Innovation at 5110 Creekbank Dr., Mississauga.
